Appointment as Visiting Associate Professor, Stanford University, Winter and Spring quarters 1997

Appointed Visiting Scholar, Institute for Research on Women and Gender, Stanford University, 1996-97

Student Government Board Faculty Honor Roll, University of Pittsburgh, 2000

Teaching and Research Interests

American national and state politics; women in politics; religion and politics

Public policy: labor issues, taxation, women's issues, economic development
 Political behavior: participation, public opinion, electoral change

Books

Religion and Reaction: The Secular Challenge to the Religious Right (Rowman & Littlefield, 2011). Examines the growth in numbers and political involvement since the 1970s by Seculars, both as individuals and in organizations or political coalitions. Case studies analyze conflicts between the Religious Right and Seculars over gay rights, abortion, and the teaching of evolution.

Globalization and the Politics of Pay: Policy Choices in the American States (Georgetown University Press, 2006). Analysis of the impact of economic policy choices and labor regulation on adaptation to globalization in the 50 American states since 1970.

The Politics of Taxation (Praeger, 1983). Analysis of the role of parties, elections, political institutions, public opinion, and economic change in the major revenue decisions of the federal and state governments, using data from 1789 to the present.
